### NOTES:

1. Total tuition cost is based upon the total number of credits remaining in the individual student's degree program. Standard fees charged by the University are not included in the total program cost, and are incremental to program cost stated on this schedule. The total number of credits taken at Colorado Technical University may vary due to transfer credits, block transfer, or repeated courses. Students possessing an earned Associate degree from an accredited institution at the time of admission to Colorado Technical University may be eligible for a block transfer of credits into select Bachelor's degree programs. See the Degree Programs section of the catalog for descriptions of the degree programs.
2. Program tuition is charged per credit hour each quarter throughout the student's program, and is charged at the beginning of each quarter. Each academic quarter is 11 weeks, and consists of two 5 1/2 week sessions.
3. The University reserves the right to increase institutional program rates during the course of an academic year. As such, a student's financial aid packaging may be subject to adjustment to account for these monetary changes.
4. Total tuition cost includes a custom suite of course materials which are provided to the student by Words of Wisdom, LLC. At the university's discretion, books may be delivered in an electronic (e-Book) or standard textbook.
5. The Technology Fee is \$125 per term (non-refundable). The Technology Fee covers student access to and maintenance of the following University systems: Student Portal, Virtual Classroom, intellipath adaptive learning platform, e-Book reader, and student email. Students utilizing VA education benefits will be exempt from the fee.
6. A \$1,000 non-refundable fee is charged to a student's account each quarter in which a student is registered for symposium. This fee covers administrative costs such as conference rooms, AV equipment, academic event materials and supplies that are associated with the symposium event. Please see the Doctoral Symposium section of the catalog for more information.
7. A non-refundable Graduation Fee will be charged to the student's account during the final term. Please see the Graduation Requirements section of the catalog for more information.

### Disclosures

The above referenced tuition assumes a student will be continuously enrolled, and satisfactorily completes all program requirements for graduation. The total tuition cost will increase due to academic failure of courses and or withdrawals and drops. CTU cannot guarantee transfer credit will be accepted; please see the University Transfer Credit policy [here](#). CTU cannot guarantee employment or salary. Find employment rates, financial obligations and other disclosures at [www.coloradotech.edu/disclosures](http://www.coloradotech.edu/disclosures). Financial aid is available to those who qualify. Not all programs are available to residents of all states.

### BACHELOR OF SCIENCE IN NURSING (RN TO BSN COMPLETION PROGRAM)

The Bachelor of Science in Nursing (RN to BSN) completion program provides several opportunities for prospective students to reduce the total program length and total tuition cost through credit for academic or other experiences. Upon receipt, official transcripts or other documentation will be reviewed by CTU's Prior Learning Assessment Department to determine transfer credit eligibility into the RN to BSN program followed by any cost adjustments.

- Up to 90 quarter credits may be accepted as transfer credit with the required incoming Associate Degree in Nursing, Diploma Registered Nurse (RN), or a graduate-entry educational transition program preparing students for eligibility to become licensed as a Registered Nurse. [Click for details.](#)
- Up to 28.5 quarter credits may be awarded toward degree completion requirements for a valid Registered Nurse (RN) license. [Click for details.](#)
- Additional credits may be awarded for professional certifications. For more information on possible qualifying certifications. [Click for details.](#)
- An experiential learning portfolio may be reviewed for additional credit. [Click for details.](#)

The table below provides examples of possible scenarios. The exact cost for each student will be determined after a review of the credit opportunities listed above.

	Total Program Credits	Cost Per Credit Hour	Total Tuition Cost (See Note 1-4)	Technology Fee (See Note 5)	Graduation Fee (See Note 6)
